

Transfer-Out Form

If you plan to transfer from Logos Evangelical Seminary to another school, you must use this form to notify the International Student Services office of your intent to transfer. Upon receipt of this form, we will update your SEVIS record, thereby giving the new school access to your record.

You may be applying to many schools, but **your SEVIS record can only be transferred to ONE school**. Once we transfer your record out, we CANNOT retrieve it after the release date and you will have to contact the school you requested that it be transferred to. Your transfer release date will be the end of the current semester unless otherwise requested for a valid reason. The new school cannot issue you a new I-20 until the record is transferred.

Please complete and return to International Student Services along with the acceptance letter from the school you are transferring to.
