STATEMENT OF FAITH

Our Beliefs:

1. **The Bible**

The Bible, containing the Old and New Testaments, is the inspired and infallible Word of God, the necessary and complete revelation of His Will for the salvation of men, and is the ultimate authority for Christian faith and life.

2. **The Trinity**

The triune God is the one true and living God, eternally existing in three distinct persons: Father, Son, and Holy Spirit.

3. **God's Divinity**

While God is the Creator, Sustainer, and Ruler of Creation, He is prior to and distinct from Creation.

4. **Man's Nature**

The first man, Adam, was created by God in His image, but fell from his original state by sinning against God, thereby incurring upon himself and all his posterity the guilt of sin, condemnation, and death; therefore, all humankind is in need of salvation, but are totally incapable of saving themselves.

5. **God's Grace**

After the Fall, God, in His mercy and love, made provision for humanity's redemption through the establishment of the covenant of grace with His people by the promise and actual giving of the Savior Jesus Christ, through whom humanity receives justification and life by faith in Him.

6. **Jesus Christ**

Jesus Christ is the Son of God, sent by the Father, begotten by the Holy Spirit, and born of the virgin Mary; He lived a sinless and obedient life, suffered, and died on the cross vicariously for the sins of His people who believe in Him; God raised Him from the dead, exalted Him both as Lord and Christ, and gave Him the promise of the Holy Spirit for His Church.

7. **Salvation of Man**

Humanity is saved by grace through faith in Christ in response to the Gospel preached, or otherwise presented, in the power of the Holy Spirit, through whom ransomed sinners became the sons of God and heirs of eternal life. Jesus Christ is the only mediator between God and men; through His and only through Him the believer has access to the Father.

8. **Life of a Believer**

Every believer is a new creature in Christ, and is called to walk in the Spirit, to die unto sin, and to live unto righteousness, and thereby manifest the fruit of the

Spirit, conforming himself to the image of Christ; good works are the fruit of the Christian life, and are not means of justification.

9. Free Will

God alone is the Lord of our conscience, and believers are free from human commands that are contrary to, or in addition to, the Scripture in matters of faith and conduct.

10. The Church

The Church, consisting of all true believers, being Christ's own and indwelt by the Holy Spirit, is the Body of Christ. The Church is holy, universal, and one in Christ. The invisible Church manifests itself in the visible church, that is, the local congregations consisting of all who profess to believe in Christ and are baptized. As the people of God and a kingdom of priests, the Church is called to grow unto the stature of the fullness of Christ and to fulfill her missionary work through the exercise of the gifts of the Holy Spirit, in worship, sacrament, fellowship, discipline, and service.

11. Role of Believers

The priesthood of all believers translates into parity between the clergy and the laity.

12. Last Days

In the last day, as the consummation of redemption, Christ will come again personally and visibly to the earth to judge the living and the dead; there will be a bodily resurrection of the dead, of the believers through the Holy Spirit unto the inheritance of eternal life, and the unbelievers unto condemnation; a new heaven and a new earth will be ushered in.

13. Statement Regarding Gender, Sexuality, and Marriage

God wonderfully created humanity male and female (Gen 1:26-27). We believe that Scripture celebrates marriage between a man and woman (Gen 2:18-25; Matt 19:3-6) as well as singleness as relational states that honor God (1 Cor 7:7). We believe that God desires healing, reconciliation, restoration, comfort, and peace for all people regardless of their standing with God (Rom 3:23; Rom 5:6-8; Isa 61).

14. Statement of Final Authority on Matters of Faith and Conduct

The statement of faith does not exhaust the extent of this corporation's beliefs. The Bible itself, as the inspired and infallible Word of God that speaks with final authority concerning truth, morality, and the proper conduct of humankind, is the sole and final source of all that we believe. For the purposes of this organization's faith, doctrine, practice, policy, and discipline, our board of directors is the organization's final interpretive authority on the Bible's meaning and application.

A course withdrawn after the seventh week will be recorded as withdrawn with passing grade (WP) or withdrawn with failing grade (WF). The student's GPA will not be affected by withdrawn courses.

LIBRARY

The Logos Evangelical Seminary Library has been making great efforts on collection development to accommodate the growth of the seminary since its establishment. Currently the total of Chinese and English books holdings is approaching seventy-three thousand, with steady increment every year, in recall to two hundred Chinese books at the very beginning of the library establishment 30 years ago. Among them, over twenty-seven thousand volumes are in Chinese which makes us the largest collection of Chinese theological books in North America, and more than forty-four thousand volumes in English collection. In addition, we have both purchased and subscriptions to e-books in the Religion Collection and are now reaching one hundred thousand volumes. Library catalog is accessible through our online public access catalog at www.catalog.les.edu and even access worldwide catalog through OCLC Discovery (<http://newfirstsearch.oclc.org/>) for a variety of information.

The Logos Seminary Library holds over five hundred titles of Chinese, English and other foreign language periodicals, among which more than a hundred titles are current

subscriptions. For multimedia materials, we have collections of DVDs, videos, audio cassettes, Sunday school materials, and Bible maps on transparencies. The library has an electronic resource center, which contains computerized research tools such as Bible Works, PC Study Bible and Almega Chinese Bible tool. The library also provides wireless internet connection, all students can access through their personal computers to the online database such as ATLA Religion Database/ATLAS, ProQuest Research Libraries, Online Encyclopedia Britannica (Academic Edition), PsyARTICLES, and OCLC FirstSearch, etc to obtain the abstract or full text of the articles. Now the library has also subscribed to the Airiti Library for journal articles and theses at the same time we purchased titles from iRead ebooks, which is the highly anticipated Chinese electronic resources for our student. From 2023 onward, our dissertation and thesis are published on Airiti databases too.

The Logos Seminary Library is a member of Online Computer Library Center (OCLC), American Theological Library Association (ATLA) as well as a member of Southern California Theological Librarian Association (SCATLA). Through these associations, we facilitate wider and more versatile avenues of access to research resources for the Logos Seminary community. These associations offer interlibrary loan activities and direct loan activities. Through the membership of State-Wide California Electronic Library Consortium (SCELC), libraries are offered with reduced prices that are shared from consortium for valuable database subscription.

In 2017 the library was totally remodeled and expanded, now it comprises 10,947 square feet of space with modernized facilities. There are more than 130 seating accommodations. With its spacious space, fantastic lighting and automatic climate control systems, the library provides an elegant, comfortable, and conducive environment for study.

4. To coordinate programs of scholarships and grants.
5. To care for students' well-being, marriage, and family relations.
6. Plan the new student orientation for each semester, the school-wide spiritual camp for teachers and students before semester each fall, and the seminary students and ministers' personal growth courses (Seminarians and Ministers' Personal Growth)
7. To plan Wednesday weekly staff prayer meetings, chapel worship meetings, and afternoon student's activities.
8. To provide advice and solutions to students in emergency situations and to handle general grievances.

II. Logos Student Council

Logos Student Council is composed of all full-time students studying at Logos. The leaders of the council are chairperson, vice-chairperson, and six other coworkers who are elected at the member assembly. The vice-chairperson and six coworkers shall take on the jobs of secretary, activity, general affairs, finance, worship, caring, and mission respectively. In addition, an auditor shall be elected from the members and the Dean of Students Development as the advisor of the Council. The purpose of the Council is to arrange student activities on and off campus to enhance fellowship among students and create a communication channel between seminary and students. Moreover, it promotes student participation in seminary's training and events.

III. Student Medical Care

- A. All full-time students must enroll in basic health insurance program before Registration.
- B. Some over-the-counter medicines are provided in the medical cabinet located at the Student Development Department.

IV. Standards of Conduct

Students are called to be ministers or to work in para-church organizations according to the principles of the Bible. They should set examples in their behaviors and conduct for the lay people. The seminary expectation for students' conduct and life is higher than the standards set by the society. Students are expected to comply

with the law, respect proper constitutional authority and obey seminary policies, rules, and regulations. Unacceptable conduct is defined as an action or behavior that is contrary to the best interest of a fellow student or students, the faculty or staff, the seminary, or the teaching/learning process.

Students failing to perform according to established standards may be subject to disciplinary action. Violation of this standard shall include, but is not limited to:

1. Academic misconduct includes, but is not limited to, cheating, fabrication, plagiarism and facilitating academic dishonesty.
2. Physical abuse, verbal abuse, threats, intimidation, harassment, coercion, and other conduct which threatens or endangers the health or safety of any person.
3. Use or possession of illegal drugs, drinking alcoholic beverages and smoking.
4. Sexual misconduct including, but not limited to, sexual offenses, sexual harassment, and homosexual behavior.

 - b. Unauthorized transfer or deletion of Seminary's computer system files.
 - c. Unauthorized use of another individual's identification and password.
 - d. Use of computing facilities to interfere with the work of another student, staff, and faculty member.
 - e. Use of computing facilities to view, send or receive obscene or abusive or other inappropriate messages.
 - f. Use of computing facilities to interfere with normal operation of the Seminary computing system.
9. Fighting; abusive or vulgar language.
10. If, for any reason, student's marital status changes during the program of study (e.g., marriage, divorce, remarriage...), he or she shall notify the SDD (Student Development Department) at least three months prior to the change. SDD, if possible, will arrange or refer the student to necessary counseling services (e.g., FOCCUS premarital counseling, professional marital counseling). If the student intends to conceal the fact, the case will be forwarded to the Student Disciplinary Committee for further evaluation.
11. Violation of seminary academic regulations and policies.

Considering the spirit of Galatians 6:1-2, it is the intent of the Student Conduct Committee to exercise genuine Christian concern in its dealings with students and that its actions would result in learning, personal growth, and professional development. The long-term welfare of the students, the

seminary community and the churches should be the primary concerns of the committee's decision process.

To make this a truly responsible and redemptive community, it is expected that all students, faculty, and staff will jointly accept the responsibility of reporting such actions as may be unacceptable, unethical, or detrimental to a Christian academic community or to the ministries that they serve.

Any questionable actions may be reported to the Student Development Office directly. The Dean of Students will make the necessary inquiries or investigation into the matter promptly. This process may consist of personal conversation with all the parties involved to determine if the matter has merit or if it can be disposed of by mutual consent on a basis acceptable to all parties. If the matter cannot be resolved, the Dean of Students will make a report to the Student Conduct Committee, along with documents submitted to the Dean by the student and the parties involved.

The Student Conduct Committee may wish to meet with the students and the involved parties to further investigate the case. The Committee will then discuss the case based on the facts collected by the Dean of Students in a thorough and careful manner. The committee will decide whether the student has been in violation of seminary regulations, standards of conduct in any way that is contrary to the catalog or that is set forth in the student handbook. If warranted, the Student Conduct Committee shall make a report on the matter to the Executive Committee of the seminary.

The Dean of Students, as chairman of the committee, will notify the student personally and in writing of the committee's decision as well as any disciplinary action recommended. C. Student Grievance Policy and Procedure

1. In the spirit of Matthew 18:15-22, any student with a grievance is encouraged to go to the student, staff, or faculty member with whom he/she has a grievance and to discuss the issue with that person. The desire is to resolve the grievance in the early stages of the procedure. If the student felt that the issue cannot be resolved by him/her, he/she may use the following procedures:

Should the student not be comfortable with initiating such a meeting on his/her own, the Dean of Students, or the Academic Advisor is available, in a strictly confidential manner to assist the student. The procedure is concluded if an acceptable solution is reached between the student and the involved party. Should either person wish a written documentation of the resolution, the two parties shall write such and each person will sign, date, and retain a

copy for themselves and a copy in the Student Services Department.

2. If the grievance is not resolved, the student may pursue the matter further. He/she who has a legitimate unresolved grievance should send a written statement promptly (within two (2) weeks after the unresolved meeting) to the Dean of Students. The statement shall clearly state the nature of the complaint and the steps already taken. The Dean of Students will meet with each party separately and will examine the case carefully. The Dean will then meet with the involved parties to seek possible solutions or resolutions for the grievance. If the grievance is resolved, a written summary of the resolution with signature from each party will be made within two weeks. Copies will be retained by the involved parties and in the Student Services Department.
3. However, if the grievance has involved wrongful conduct or the person has indeed committed wrongful behavior and is not repentant, the Dean of Students will refer the case to the Student Conduct committee for a thorough hearing. If the other party is also a student, the Student Conduct Committee will be responsible for holding a hearing. If a staff or a faculty is involved, the direct supervisor and the director of H.R. will be on the hearing committee.
4. If the grievance is not resolved through the steps above, the student may make a written request, within two weeks, to the Executive Committee for further review. The Chair will convene a meeting to hear and resolve the grievance. The committee may request that additional people (such as chair of Student Council) be present for the hearing as it is deemed necessary and relevant. The committee's recommendations and action for resolution will be presented in writing to each party in the grievance within thirty (30) days of the hearing, which each party will sign. Copies of the resolution will be retained, along with a written record of the hearing in the Student Services Department. In all cases, the Committee's recommendations and action for resolution will be final. Any resolution or disciplinary action will also be reported in the Administrative Meeting or the Faculty Meeting respectively.
5. In the event a member or members of the committee are involved or named in the grievance, the Dean of Students will appoint a replacement in kind (faculty or administrator). In the event the Dean of Students is involved or named in the grievance, the President will appoint a replacement for the Dean of Students to handle the case.
